

Find Covered Medicines

The easiest way to find covered medicines is to use the Prescription Therapeutics, LLC, a not-for-profit organization that works with BlueCross and BlueShield of Alabama. Together, we make it easy to find covered medicines, estimate costs, and get help with your questions.

1 Visit AlabamaBlue.com and log in to myBlueCross.

2 Click "Find Drugs/Prescriptions/Manage My Prescriptions."

3 Accept the terms and conditions, and you will be redirected to the website to access our not-for-profit organization's services. Then, you can search by medication or by doctor.

4 Your results for a specific medicine will include:

- Coverage details
 - Therapeutic class
 - Medication name
 - Prescription name
 - Patient name
